In addition, as discussed herein, as a result of freezing the hourly billing rates of Kenneth H. Eckstein and Philip Kaufman, Kramer Levin has further voluntarily reduced its fees by an additional \$93,167.00, for this fee period. Thus, Kramer Levin's voluntary write-offs and discounts for this fee period total a cost savings of \$846,305.02.

² These amounts reflect voluntary reductions in fees and expenses pursuant to agreements with the U.S. Trustee.

³ As described in further detail below, Kramer Levin has reduced the amount of fees and expenses originally requested in the monthly fee statements to reflect additional write offs following the service of the monthly fee statements, which amounts will be credited against the holdback, as applicable.

⁴ The objection period for the June monthly fee statement expired on November 7, 2013.

⁵ The objection period for the July and August monthly fee statements expires on December 9, 2013.

INTERIM ALLOWANCE OF COMPENSATION FOR PROFESSIONAL SERVICES

TO THE HONORABLE MARTIN GLENN
UNITED STATES BANKRUPTCY JUDGE:

Kramer Levin Naftalis & Frankel LLP (“**Kramer Levin**”), counsel to the Official Committee of Unsecured Creditors (the “**Committee**”) of the above-captioned debtors and debtors-in-possession (collectively, the “**Debtors**”) in the above-referenced chapter 11 cases (the “**Chapter 11 Cases**”), hereby files its fourth application (the “**Application**”) pursuant to section 330(a) and 331 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Rule 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Bankruptcy**

Rules”), for the interim allowance of compensation for professional services performed by Kramer Levin for the period commencing May 1, 2013 through and including August 31, 2013 (the “**Fourth Interim Period**”), and for reimbursement of its actual and necessary expenses incurred during the Fourth Interim Period. In support of its Application, Kramer Levin respectfully represents as follows:

PRELIMINARY STATEMENT

1. Throughout the Fourth Interim Period, Kramer Levin continued to play a pivotal role in these Chapter 11 Cases as lead counsel to the Committee, and expended substantial efforts representing the interests of the Committee and general unsecured creditors in all significant case matters.

2. Kramer Levin’s work during the Fourth Interim Period was primarily devoted to the global mediation led by the Honorable James M. Peck, the development of the terms of a consensual Chapter 11 plan, and working towards confirmation of the plan premised upon the plan support agreement that was executed as a result of the global mediation.

3. The mediation sought to resolve disputes between the creditors and Ally Financial Inc. (“**AFI**” and, together with its non-Debtor affiliates, “**Ally**”), as well as significant outstanding Debtor-creditor, inter-Debtor, and inter-creditor disputes, in an effort to reach consensus on the terms of a chapter 11 plan. As the mediation and plan negotiations progressed, Kramer Levin drafted and revised numerous plan term sheets and plan support agreements detailing the terms of a chapter 11 plan that would garner global consensus among the parties in interest. Global mediation sessions among the Debtors, the Committee, Ally, and the Debtors’ major creditor constituencies commenced in late April 2013 and continued in early May. These mediations sessions ultimately culminated in the execution of the plan support agreement (the “**Plan Support Agreement**”), the original plan term sheet and the supplemental term sheet. The

Plan Support Agreement contemplated a Chapter 11 plan to be jointly proposed by the Debtors and the Committee, and during the Fourth Interim Period, Kramer Levin, along with the Debtors' professionals, drafted and filed the plan (the "**Plan**") and disclosure statement (the "**Disclosure Statement**"). The Plan Support Agreement and Plan embody a settlement of complex and significant inter-Debtor, intercreditor, and Debtor-creditor issues that were already the subject of substantial litigation in these Chapter 11 Cases, and, if left unresolved, would have entailed lengthy, costly litigation that would have both depleted and delayed distributions to creditors. Ally's substantial contribution of \$2.1 billion to the estates – upon which the Plan is premised – also settled significant and protracted litigation against Ally by both the estates and third parties, and facilitated the numerous other settlements comprising the Global Settlement.

4. While negotiations were ongoing regarding the terms of the Plan Support Agreement, Kramer Levin simultaneously continued to prepare for the trial on the Debtors' RMBS 9019 Motion—which had been adjourned to late May 2013—including preparing direct testimony for the Committee's experts as well as cross-examination testimony for potential witnesses at trial. As a result of the Plan Support Agreement, trial on the Debtors' RMBS 9019 Motion was adjourned sine die. In addition, during this time the Court-appointed examiner (the "**Examiner**") finalized and filed his report, which was unsealed on June 26, 2013.

5. Kramer Levin also continued to devote significant amounts of time during the Fourth Interim Period on issues related to the Junior Secured Noteholders, including preparing for trial in the Consolidated Adversary Proceeding (as defined below), which entailed, among other tasks, reviewing numerous documents, drafting and responding to motions to dismiss, participating in oral arguments on motions to dismiss, and addressing evidentiary issues. Kramer Levin not only spent time researching legal issues raised by the Junior Secured

Noteholders in their counterclaims and motions to dismiss, but also responded to discovery requests served on the Committee professionals, reviewed internal documents for production, and reviewed produced documents for relevance in the Consolidated Adversary Proceeding. During this time, Kramer Levin held numerous internal meetings and meetings with the Debtors to discuss strategy for the litigation and relevant legal and factual issues in connection therewith.

6. Given the numerous and complex issues presented by these cases, and the quick pace at which these cases continue to progress, Kramer Levin was required to keep the Committee continuously apprised of important case developments and issues. In this regard, Kramer Levin hosted Committee calls or meetings at least weekly, held numerous pre-calls with the Committee co-chairs and individual Committee members, as well as provided the Committee with detailed reports and updates on the cases on a daily basis. Kramer Levin also coordinated communications with the Debtors, Ally, and the Consenting Claimants, as the numerous parties to the Plan Support Agreement worked together towards confirmation of the Plan.

7. During the Fourth Interim Period, the actions taken by the Committee, through Kramer Levin and its other professionals, yielded significant benefits for the estates and their creditors. Notable highlights of Kramer Levin's role during the Fourth Interim Period, among others, include:

- Negotiating and drafting the Plan Support Agreement and related term sheets, and responding to objectors to the motion seeking approval of the Plan Support Agreement;
- Preparing the Chapter 11 Plan, Disclosure Statement, and Disclosure Statement motion, responding to Disclosure Statement objections and obtaining approval of the Disclosure Statement and Solicitation procedures;
- Continuing a thorough analysis of the claims asserted by major creditor constituencies, including numerous proofs of claim filed against the Debtors, and

coordinating with the Debtors on individual and omnibus claims objections to certain of those claims;

- Preparing for trial on the Debtors' motion seeking approval of the proposed RMBS Settlement, including addressing evidentiary issues prior to entry into the Plan Support Agreement; and
- Supporting the Debtors' motion seeking approval of the FRB Settlement.

8. The Committee's substantial accomplishments during the Fourth Interim Period required significant resources from multiple departments within Kramer Levin. Kramer Levin respectfully submits that its services during the Fourth Interim Period were required by the unique demands of these cases, valuable, and warrant approval of its requested fees and expenses.

JURISDICTION AND VENUE

9. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334.

10. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

11. The statutory predicate for the relief requested herein is sections 330 and 331 of the Bankruptcy Code, Rule 2016 of the Bankruptcy Rules, and Rule 2016-1 of the Local Bankruptcy Rules.

SUMMARY OF PROFESSIONAL COMPENSATION AND REIMBURSEMENT OF EXPENSES REQUESTED

12. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on January 23, 2013 (the "**Local Guidelines**"), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the

“UST Guidelines”), and the Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 797] entered in these Chapter 11 Cases (the **“Interim Compensation Order”** and together with the Local Guidelines and the UST Guidelines, the **“Guidelines”**). Pursuant to the Guidelines, a certification of Kenneth H. Eckstein regarding compliance with the Guidelines is attached hereto as **Exhibit A**.

13. Kramer Levin seeks interim allowance of fees for professional services rendered during the Fourth Interim Period in the aggregate amount of \$11,386,709.50 (the **“Fourth Interim Fees”**) and reimbursement of expenses incurred in connection with those services in the aggregate amount of \$412,285.71 (the **“Fourth Interim Expenses”**).

14. During the Fourth Interim Period, Kramer Levin attorneys and paraprofessionals expended a total of 16,133.80 hours for which compensation is requested.

15. There is no agreement or understanding between Kramer Levin and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these Chapter 11 Cases.

16. The fees charged by Kramer Levin in these Chapter 11 Cases are billed in accordance with its existing billing rates and procedures set forth in the Application Pursuant to Sections 328 and 1103 of the Bankruptcy Code and Federal Rule of Bankruptcy Procedure 2014 for an Order to Retain and Employ Kramer Levin Naftalis & Frankel LLP as Counsel to the Official Committee of Unsecured Creditors of the Debtors, *Nunc Pro Tunc*, to May 16, 2012 (the **“Retention Application”**) [Docket No. 528]. On February 14, 2013, Kramer Levin filed the Supplemental Declaration of Kenneth H. Eckstein Pursuant to Order Approving Retention of Kramer Levin Naftalis & Frankel LLP as Counsel to the Official Committee of Unsecured

Creditors, *Nunc Pro Tunc* to May 16, 2012 [Docket No. 2920], pursuant to which Kramer Levin provided notice of an increase in its hourly rates.

17. The rates Kramer Levin charges for the services rendered by its professionals and paraprofessionals in these Chapter 11 Cases are reasonable relative to the rates charged by Kramer Levin to non-bankruptcy clients and to the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy and bankruptcy cases in a competitive national legal market.

18. During the course of these Chapter 11 Cases, Kramer Levin exercised its billing discretion and, as discussed in more detail herein, voluntarily wrote-off certain fees and expenses in connection with the Monthly Statements (defined below). Kramer Levin's voluntary write-offs, resulted in savings to the Debtors' estates during this Fourth Interim Period of approximately \$850,000.00.

19. Pursuant to the UST Guidelines, annexed hereto as **Exhibit B**, is a schedule setting forth all Kramer Levin professionals and paraprofessionals who performed services in these Chapter 11 Cases during the Fourth Interim Period, the capacities in which such individuals are employed by Kramer Levin, the hourly billing rates charged by Kramer Levin for services performed by such individuals, and the aggregate number of hours expended and fees billed.

20. Annexed hereto as **Exhibit C** is a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each expense category. In addition, attached hereto as **Exhibit C-1** is a schedule of all of the expenses incurred during the Fourth Interim Period. Attached hereto as **Exhibit C-2** is a summary of all meeting expenses and a schedule identifying the average cost per person of such meetings, and

attached hereto as **Exhibit C-3** is a schedule illustrating the cap of \$0.10 per page for photocopying expenses incurred during the Fourth Interim Period.

21. Pursuant to Section II.D of the UST Guidelines, annexed hereto as **Exhibit D** is a summary of Kramer Levin's time billed during the Fourth Interim Period, broken down by project categories, as hereinafter described.

22. Annexed hereto as **Exhibit E** is Kramer Levin's time detail for the Fourth Interim Period.

27. On October 19, 2012, Kramer Levin filed its first interim application (the “**First Interim Fee Application**”) for the allowance of compensation for professional services rendered and for reimbursement of actual and necessary expenses incurred from May 16, 2012 through August 31, 2012 (the “**First Interim Fee Period**”). 31. On August 8, 2013, Kramer Levin filed its third interim application (the “**Third Interim Fee Application**”) [Docket No. 4573] for the allowance of compensation for professional services rendered and for reimbursement of actual and necessary expenses incurred from January 1, 2013 through April 30, 2013 (the “**Third Interim Fee Period**”). In the Third Interim Fee Application, Kramer Levin Sought the interim allowance of fees in the aggregate amount of \$15,197,547.00 (the “**Third Interim Fees**”), and the interim allowance of the reimbursement for actual and necessary expenses in the amount of \$806,168.59 (the “**Third Interim Expenses**”).

32. By order dated September 25, 2013 [Docket No. 5205], the Third Interim Fees and the Third Interim Expenses were allowed in full, subject to a consensual reduction resolving the objection of the U.S. Trustee. Pursuant to the order, Kramer Levin received payment from the Debtors for (i) the full amount of the Third Interim Expenses, (ii) the full amount of the Third Interim Fees subject to a 10% holdback, and (iii) the remaining 10% holdback from the First Interim Fee Period and Second Interim Fee Period.

KRAMER LEVIN FEE STATEMENTS

33. Kramer Levin maintains computerized records of the time spent by all Kramer Levin attorneys and paraprofessionals in connection with the representation of the

Committee. Subject to redaction for the attorney-client privilege, Kramer Levin submitted monthly fee statements (the “**Monthly Fee Statements**”) to the Notice Parties (as that term is defined in the Interim Compensation Order) in the format specified by the UST Guidelines, allowing each of the Notice Parties an opportunity to review and object to the Monthly Fee Statements.¹ During the Fourth Interim Period, Kramer Levin provided the Notice Parties with the following Monthly Fee Statements:

- For May 1, 2013 through May 31, 2013 – fees of \$3,687,691.50 and expenses of \$128,398.51 (the “**May Statement**”);
- For June 1, 2013 through June 30, 2013 – fees of \$2,447,757.50 and expenses of \$100,785.34 (the “**June Statement**”);
- For July 1, 2013 through July 31, 2013 – fees of \$2,607,704.50 and expenses of \$72,343.89 (the “**July Statement**”); and
- For August 1, 2013 Through August 31, 2013 – fees of \$2,663,066.00 and expenses of \$112,363.38 (the “**August Statement**”).

34. In total, Kramer Levin submitted Monthly Fee Statements during the Fourth Interim Period for fees of \$11,406,219.50 and expenses of \$413,891.12. Prior to submitting the Monthly Fee Statements, Kramer Levin conducted an internal review of the fees and expenses incurred during each applicable period and determined to voluntarily write-off fees in the amount of \$542,168.50 and expenses in the amount of \$104,266.76.

35. In accordance with the Interim Compensation Order, Kramer Levin sought payment for 80% of fees and 100% of expenses incurred pursuant to each Monthly Fee Statement:

¹ To date, Kramer Levin has not received any objections to its Monthly Fee Statements.

- With respect to the May Statement, Kramer Levin received a payment of \$3,078,551.71, representing 80% of fees requested (\$2,950,153.20) and 100% of expenses requested (\$128,398.51).
- With respect to the June Statement, Kramer Levin requested payment of \$2,058,991.34, representing 80% of fees requested (\$1,958,206.00) and 100% of expenses requested (\$100,785.34).
- With respect to the July Statement, Kramer Levin requested payment of \$2,158,507.49, representing 80% of fees requested (\$2,086,163.60) and 100% of expenses requested (\$72,343.89).
- With respect to the August Statement, Kramer Levin requested payment of \$2,242,816.18 representing 80% of fees requested (\$2,130,452.80) and 100% of expenses requested (\$112,363.38).

36. At the time of this application, Kramer Levin has not received any payments on account of the June, July and August Statements.

37. Following the submission of the Monthly Fee Statements, Kramer Levin conducted a further review of the fees and expenses incurred during the Fourth Interim Period and elected to further write off fees in the amount of \$19,510.00 and reduce the amount of expenses requested by \$1,605.41. Reflecting these additional write-offs, the total amount of voluntary write-offs in fees is \$648,712.00 and the total amount of voluntary write-offs in expenses is \$104,426.02.

38. In total, therefore, pursuant to this Application, Kramer Levin respectfully requests that the Court enter an order awarding Kramer Levin, on an interim basis, fees in an aggregate amount of \$11,386,709.50 and the reimbursement of actual and necessary expenses Kramer Levin incurred during the Fourth Interim Period in the aggregate amount of \$412,285.71.

39. The Monthly Fee Statements submitted by Kramer Levin are subject to a 20% holdback (as is customary in this District) imposed by the Court on the allowance of fees.

The aggregate amount of Kramer Levin's holdback during the Fourth Interim Period is \$2,281,243.90.

40. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Fourth Interim Period but were not processed prior to the preparation of this Application, Kramer Levin reserves the right to request compensation for such services and reimbursement of such expenses in a future fee application.

SUMMARY OF LEGAL SERVICES RENDERED

41. The Committee has accomplished a substantial amount since its appointment in these Chapter 11 Cases. To support these results, Kramer Levin provided a wide array of services during the Fourth Interim Period, including, for example, services related to (i) hosting and participating in the global mediation sessions that resulted in the Plan Support Agreement, which reflected the terms of a consensual chapter 11 plan, (ii) working with the Debtors and Consenting Claimants towards approval of the Disclosure Statement and confirmation of the Plan premised upon the terms of the Plan Support Agreement, (iii) addressing issues related to the Junior Secured Noteholders, including the adversary proceedings with the Junior Secured Noteholders, (iv) the analysis of numerous claims filed against the Debtors, and (v) the Debtors' obligations under the consent order with the Federal Reserve Board and other regulatory obligations.

42. The legal services rendered by Kramer Levin during the Fourth Interim Period are summarized below. The following summary is not a detailed description of the work performed, as the day-to-day services and the time expended in performing such services are fully set forth in **Exhibit E**. Rather, in compliance with the UST Guidelines, the following summary highlights certain areas in which services were rendered to the Committee and

identifies some of the issues to which Kramer Levin devoted significant time and effort during the Fourth Interim Period.

43. The summary is divided according to the project billing codes that Kramer Levin created to best reflect the categories of tasks that it was required to perform in connection with these Chapter 11 Cases. Nevertheless, under the circumstances, and given the interconnectedness of the issues in these Chapter 11 Cases, certain of these categories may overlap with one another.

A. Case Administration

Kramer Levin Billing Code: 1

(Fees: \$42,074.00 / Hours Billed: 96.30)

44. Throughout the Fourth Interim Period, Kramer Levin continued to monitor the bankruptcy docket, reviewed and summarized the various pleadings filed in the cases for both internal and client use, and communicated with other professionals regarding the progress of the Chapter 11 Cases. The complexity of these cases also requires careful internal coordination among Kramer Levin professionals to handle matters efficiently and effectively. To that end, this matter includes time spent preparing work-in-progress memoranda and a case calendar, as well as holding coordination meetings to ensure that Kramer Levin professionals are undertaking the various required tasks in an efficient manner. Lastly, this matter includes time billed by Kramer Levin professionals and paraprofessionals in creating and maintaining case files and databases to ensure appropriate access by other professionals.

B. DIP Financing/Cash Collateral

Kramer Levin Billing Codes: 2

(Matter 2 Fees: \$297,276.50 / Hours Billed: 413.40)

45. The AFI DIP Order originally provided for the consensual use of the cash collateral of the Junior Secured Noteholders and AFI through the effective date of any chapter 11 plan to occur by December 15, 2012. In December 2012, the Court entered the *Stipulation and*

Order Amending the AFI DIP and Cash Collateral Order [Docket No. 2495] that extended the consensual use of cash collateral to the closing of the sale of the mortgage servicing assets (the “**Ocwen Sale**”). The closing of the Ocwen Sale was bifurcated into two sub-closings, with the latter sub-closing occurring on February 15, 2013.

46. Prior to the Fourth Interim Period, it became clear that the parties were unlikely to reach a consensual resolution for the use of cash collateral, and Kramer Levin discussed with the Debtors’ professionals the prosecution of a motion seeking the non-consensual use of cash collateral. On April 8, 2013, the Debtors filed their *Motion for Entry of an Order to Permit the Debtors to Continue Using Cash Collateral* [Docket No. 3374] (the “**Post-Sale Cash Collateral Motion**”). Kramer Levin spent time reviewing this motion, and discussed with the Debtors’ professionals certain issues with the motion. Because some of these issues remained unresolved, Kramer Levin researched, drafted and filed a limited objection to the motion on behalf of the Committee on May 6, 2013 [Docket No. 3624]. The Junior Secured Noteholders (as well as AFI) also filed objections to the Post-Sale Cash Collateral Motion and sought discovery in connection with the motion. Kramer Levin reviewed the documents produced by the Debtors, attended the depositions of the two witnesses put forward by the Debtors in support of the motion, participated in other discovery matters, and was heavily involved in the negotiations to reach a consensual resolution with respect to the motion.

47. During the Fourth Interim Period, and parallel to preparations for hearing on the Post-Sale Cash Collateral Motion, Kramer Levin assisted the Committee in negotiating stipulations with the Debtors, AFI, and the Junior Secured Noteholders with respect to extending the termination date for the use of cash collateral. Kramer Levin participated in numerous discussions with the Debtors’ professionals, as well as the professionals retained by AFI and the

Junior Secured Noteholders, as to the terms of a resolution. The parties negotiated the *Sixth Stipulation and Order Amending the AFI DIP and Cash Collateral Order* [Docket No. 3720], the *Seventh Stipulation and Order Amending the AFI DIP and Cash Collateral Order* [Docket No. 3981] and the *Eighth Stipulation and Order Amending the AFI DIP and Cash Collateral Order* [Docket No. 3458] which were respectively entered on May 14, 2013, June 14, 2013, and June 28, 2013. Ultimately the parties negotiated, and the Court entered on July 10, 2013, the *Stipulation and Order in Respect of the Debtors' Motion for Entry of an Order to Permit the Debtors to Continue Using Cash Collateral* [Docket No. 4193]. By this stipulation, the parties terminated the use of cash collateral except for limited purposes.

48. During the Fourth Interim Period, Kramer Levin worked with the Debtors to implement a partial paydown of the principal balance of the Junior Secured Noteholders. Kramer Levin drafted and filed on June 10, 2013, the *Statement of the Official Committee of Unsecured Creditors in Support of the Debtors Amended Motion Seeking Authorization to Satisfy Certain Secured Claims* [Docket No. 3935]. Pursuant to Court orders [Docket Nos. 3967, 4404], on June 13, 2013 and July 29, 2013, the Debtors partially satisfied the principal balance of the Junior Secured Notes in the amounts of \$800 million and \$300 million, respectively.

C. Use, Sale or Lease of Property/Executory Contracts/Unexpired Leases

Kramer Levin Billing Codes: 3 and 15

(Matter 3 Fees: \$171,782.50/ Hours Billed: 227.10)

(Matter 15 Fees: \$4,848.00/ Hours Billed: 8.20)

49. Following the closing of the sale of the Debtors' Mortgage Servicing and HFS Assets in early 2013, certain sale-relate issues remained outstanding in the Fourth Interim Period, including certain cure objections. Kramer Levin continued to review each of these cure objections, and work with the Debtors' professionals and successful bidders in an attempt to resolve these objections, as well as advised the Committee with regard to the status of other open

cure objections. Specifically, during this time, Kramer Levin worked with the Debtors to resolve the cure objections asserted by FGIC, Ambac, and DBSP, and continued to negotiate with Impac in an attempt to resolve its cure objection. Kramer Levin also analyzed issues relating to purchase price adjustments and continued to update the Committee on these issues.

50. During this time, and in connection with the sales of the Debtors' assets, the Debtors sought to assume or reject certain executory contracts and unexpired leases. In accordance with the rejection procedures established by the Court, Kramer Levin and other Committee professionals analyzed the contracts or leases the Debtors sought to assume or reject to ensure that the Debtors' proposed actions were in the best interests of the estates.

D. Chapter 11 Plan/Disclosure Statement/Borrower Claims Trust

Kramer Levin Billing Codes: 4 and 25

(Matter 4 Fees: \$3,425,136.00/ Hours Billed: 4,749.30)

(Matter 26 Fees: \$30,265.00/Hours Billed: 40.60)

51. During the Fourth Interim Period, Kramer Levin continued its ongoing dialogue with the Honorable James M. Peck as mediator (the "**Mediator**") and the Debtors regarding a potential global resolution of these chapter 11 cases.

52. The mediation sessions began in January 2013, and lasted through the end of May. Following a series of bilateral and multilateral discussions between and among various parties, the Mediator scheduled a global mediation summit for April 22-23, which was hosted by Kramer Levin. While a settlement among the parties was not reached during these initial sessions, the parties made enough progress to foster a number of additional follow-up mediation sessions in the first two weeks of May—again hosted by Kramer Levin—culminating in an agreement among certain of the Mediation Parties to the terms of a chapter 11 plan. Necessarily, Kramer Levin spent extensive time not only preparing for the mediation sessions themselves, but preparing and reviewing draft term sheets and potential plan support agreements.

53. After reaching an agreement in principle of the major outstanding case issues (the “**Global Settlement**”), the Debtors, Ally, the Committee, and a majority of the Debtors’ major unsecured creditor constituencies spent significant amounts of time drafting and negotiating the Plan Support Agreement and related plan term sheet (the “**Plan Term Sheet**”) which were executed on or about May 13, 2013. These documents outlined the main terms of the Plan and the resolution of many complex legal issues involving the Debtors’ largest claimant constituencies, and provided a framework for the Debtors’ emergence from bankruptcy.

54. As contemplated by the Plan Support Agreement, following its execution, the parties continued to engage in large global mediation sessions during the Fourth Interim Period, also hosted by Kramer Levin, and further negotiations over the terms of a supplemental plan term sheet (the “**Supplemental Plan Term Sheet**” and together with the Plan Term Sheet, the “**Term Sheets**”), which addressed the Plan agreements and compromises in greater detail. The last set of large group negotiations on the Supplemental Term Sheet started in the morning of May 22, 2013, and continued through the following night, ending at approximately 9:00 a.m. on May 23, 2013, with agreement on the terms of the Supplemental Term Sheet and the filing of the Debtors’ motion for an order authorizing the Debtors to enter into and perform under the Plan Support Agreement [Docket No. 3814] (the “**PSA Motion**”). Kramer Levin was intimately involved in preparing the PSA Motion. Kramer Levin also drafted and filed on behalf of the Committee the Committee’s statement in support of, and response to objections to, the PSA Motion [Docket No. 4064].

55. After a hearing on the PSA Motion, the Debtors’ entry into the Plan Support Agreement was approved by the Bankruptcy Court on June 26, 2013 [Docket No. 4098].

56. During the Fourth Interim Period, Kramer Levin, working in close coordination with the Debtors, also spent significant time drafting and negotiating the Plan, Disclosure Statement, and Disclosure Statement motion, premised on the terms of the Plan Support Agreement and Term Sheets. On July 3, 2013, the Debtors and the Committee (together, the “Plan Proponents”) filed the *Joint Chapter 11 Plan Proposed by Residential Capital, LLC, et al. and the Official Committee of Unsecured Creditors* [Docket No. 4153] and the *Disclosure Statement for the Joint Chapter 11 Plan Proposed by Residential Capital, LLC, et. al. and the Official Committee of Unsecured Creditors* [Docket No. 4157], which were subsequently modified and amended on August 16, 2013 [Docket No. 4733], and August 20, 2013 [Docket No. 4771]. Following a hearing held on August 21, 2013 regarding the adequacy of the Disclosure Statement, on August 23, 2013, the Court entered an order [Docket No. 4809] approving the Disclosure Statement. The solicitation versions of the Plan and Disclosure Statement were filed on August 23, 2013 [Docket No. 4819]. Kramer Levin worked with the Debtors to commence solicitation on the Plan and worked with the Debtors to pursue confirmation of the Plan, with the hearing to consider confirmation of the Plan scheduled to commence on November 19, 2013. The Plan Support Agreement, the Global Settlement, and each of the subsequent settlements achieved with various parties in interest have paved the way for a largely consensual plan, premised upon a settlement of numerous and significant inter-creditor, Debtor-creditor, and interdebtor issues, without which these Chapter 11 Cases would have devolved into a morass of litigation. Moreover, the \$2.1 billion Ally Contribution resolves significant estate and third party claims against Ally, and facilitates the significant distributions to Unsecured Creditors contemplated by the Plan.

57. As part of the solicitation packages mailed to creditors entitled to vote on the Plan, Kramer Levin also drafted and sent a letter to unsecured creditors explaining why the Committee believes the Plan provides the best possible recovery for unsecured creditors and recommends voting for the Plan. Kramer Levin also worked with the Committee's special borrower counsel, SilvermanAcampora ("**SilvermanAcampora**") to draft and send a similar letter specifically for borrowers, which included borrower-specific Plan information, along with how to contact SilvermanAcampora with any additional questions. Copies of the letters were also posted on the Committee's website.

58. Time in this matter also addressed motions filed by the Debtors during the Fourth Interim Period seeking orders further extending their exclusive periods to file a plan and solicit acceptances thereof [Docket Nos. 3911 and 4555]. Kramer Levin analyzed the issues with respect to exclusivity, and the Committee determined that given the progress represented by the Global Settlement and Plan Support Agreement, the Committee was supportive of the relief sought in the Debtors' motions with respect to exclusivity. Kramer Levin drafted, and on June 10, 2013, filed on behalf of the Committee the *Statement of the Official Committee of Unsecured Creditors in Support of the Debtors' Motion for the Entry of an Order Further Extending Their Exclusive Periods to File a Chapter 11 Plan and Solicit Acceptances Thereof* [Docket No. 3931]. Pursuant to the Court's order dated August 21, 2013, the exclusive period of time during which only the Debtors may file a plan was extended through and including November 14, 2013, and the period of time during which only the Debtors may solicit acceptances was extended through and including January 14, 2014 [Docket No. 4781].

E. AFI Investigation
Kramer Levin Billing Code: 6
(Fees: \$730,217.50 / Hours Billed: 1,068.00)

59. During the Fourth Interim Period and prior to the entry into the Plan Support Agreement and Term Sheets, Kramer Levin continued its investigation of the Debtors' prepetition activities, including the Debtors' prepetition and related-party transactions, and its analysis of the Debtors' prepetition relationship with its parent entity, AFI. During this time, Kramer Levin spent time responding to objections to the Committee's motion for an order authorizing the Committee to prosecute and settle certain claims against Ally on behalf of the Debtors' estates, which was filed on April 11, 2013 [Docket No. 3412] and reviewing and responding to the motion of Wilmington Trust, National Association, as indenture trustee for the Senior Unsecured Notes, for an order authorizing it to prosecute claims and other causes of action on behalf of the Residential Capital, LLC estate. [Docket No. 3475] (the "**Wilmington Trust Standing Motion**").

60. As a result of the Plan Support Agreement, the Wilmington Trust Standing Motion and other motions seeking standing to pursue claims or causes of action against AFI or its affiliates on behalf of the Debtors' estates were stayed during the term of the Plan Support Agreement, and will be rendered moot once the Plan is confirmed.

61. On May 13, 2013, the *Report of Arthur J. Gonzalez, as Examiner*, was filed under seal [Docket No. 3698]. On June 19, 2013, the Committee filed a limited objection [Docket No. 4024] to Berkshire Hathaway's motion to unseal the Examiner's Report, as the Committee believed that the temporary sealing of the Examiner's Report, as approved by the Court on May 13, 2013, until the earlier of July 3, 2013 or the Court's determination of the PSA Motion, was appropriate given that unsealing of the Examiner's Report in advance of approval of the PSA Motion would constitute a termination event under the Plan Support Agreement and because no party was prejudiced by the short delay in access to the Examiner's Report.

62. On June 26, 2013 the Examiner's Report was unsealed by the Court and became publicly available. Kramer Levin reviewed the Examiner's Report and outlined the findings contained in the Examiner's Report to the Committee.

F. RMBS Issues

Kramer Levin Billing Code: 7

(Fees: \$1,302,724.00 / Hours Billed: 1,979.50)

63. During the Fourth Interim Period and prior to executing the Plan Support Agreement and Term Sheets, Kramer Levin continued to devote a significant amount of time to the Debtors' motion seeking approval of the RMBS Settlement Agreement under Bankruptcy Rule 9019 [Docket No. 320] (the "**RMBS 9019 Motion**"), which sought Court approval of an \$8.7 billion settlement of representation and warranty claims held by 392 securitization trusts.

64. The trial on the RMBS 9019 Motion was previously adjourned to March 2013 and, following plan-related negotiations, subsequently adjourned again, with the trial scheduled to begin on May 28, 2013. Kramer Levin devoted significant time preparing for trial, prior to the stay of the RMBS 9019 Motion as a result of the Plan Support Agreement. In anticipation of trial, Kramer Levin, among other things, (i) reviewed and analyzed the reply briefs, declarations, expert reports, and related documents filed in response to its and other opposing parties' objections, (ii) assisted the Committee's experts in preparing direct testimony in opposition to the RMBS 9019 Motion, and (iii) began preparing numerous and extensive cross-examination outlines of the potential witnesses to be proposed at trial by the parties supporting the RMBS 9019 Motion.

65. Also in preparation for trial, Kramer Levin researched and drafted motions to preclude testimony of certain witnesses, which were filed on May 6, 2013 [Docket Nos. 3610, 3611, 3612, 3617] and drafted replies in further support of excluding the testimony of these witnesses, which were filed on May 20, 2013 [Docket Nos. 3784, 3787, 3788, 3792]. Kramer

Levin also prepared and filed on May 14, 2013 the Committee's response [Docket No. 3721] to the Debtors' motion to strike the objection and exclude the evidence of the Committee in opposition to the RMBS Trust Settlement. Kramer Levin filed additional pretrial submissions on May 15, 2013, including the Committee's adverse witness list, designation of deposition testimony, and exhibit list. [Docket No. 3747].

G. JSN Adversary Proceeding
Kramer Levin Billing Code: 8
(Fees: \$2,933,464.50 /Hours Billed: 4,048.70)

66. Prior to the Fourth Interim Period, in accordance with the Bankruptcy Court's order granting the Committee standing to pursue claims against the Junior Secured Noteholders, the Committee filed a complaint on February 28, 2013 and thereby commenced an adversary proceeding against the Junior Secured Noteholders [Docket No. 3069; Adv. Case. No. 13-01277, Docket No. 1] (the "**Committee Adversary Proceeding**"). During the Fourth Interim Period, Kramer Levin, coordinated with Pachulski Stang, co-counsel to the Committee, to review documents and other data received by the Debtors related to the complaint.

67. Kramer Levin also continued to analyze the Junior Secured Noteholders' claims and liens during the Fourth Interim Period. Kramer Levin spent a substantial amount of time researching legal issues in connection with the claims and liens of the Junior Secured Noteholders, and prepared memoranda and presentations for the Committee regarding the results of its legal analysis.

68. Following the commencement of the Committee Adversary Proceeding, the Committee and the Debtors held numerous in-depth discussions regarding certain contentions made by the Junior Secured Noteholders as to the extent of their security interest in the Debtors' assets and their entitlement to postpetition interest pursuant to section 506(b) of the Bankruptcy

Code. Following these discussions, the Debtors determined to commence an adversary proceeding against the Junior Secured Noteholders to address these issues. The Debtors' complaint seeking, inter alia, declaratory judgment that the Junior Secured Noteholders were not entitled to postpetition interest under section 506(b) was filed on May 3, 2013 [Docket No. 3592; Adv. Case No. 13-01343] (the "**Debtors' Adversary Proceeding**"). Kramer Levin analyzed the issues addressed in the complaint, and researched the legal issues raised in the Debtors' Adversary Proceeding.

69. On June 21, 2013, the Court, with the agreement of all parties to the proceedings, consolidated the Committee Adversary Proceeding and the Debtors' Adversary Proceeding (the "**Consolidated Adversary Proceeding**") for all purposes pursuant to Federal Rule of Bankruptcy Procedure 7042. Throughout the Fourth Interim Period, Kramer Levin prepared for trial in the Consolidated Adversary Proceeding, including drafting and responding to motions to dismiss, participating in oral arguments on motions to dismiss, and addressing numerous discovery and evidentiary issues. On May 23, 2013, the Committee filed its opposition to the defendants' partial motion to dismiss certain claims contained in the Committee's complaint. [Docket No. 28], and on July 16, 2013, the Committee and the Debtors filed a motion to dismiss certain of the defendants' counterclaims [Docket No. 53].

70. On July 26, 2013 the Court heard oral argument on the defendants' partial motions to dismiss certain claims contained in the Committee's complaint, and on August 13, 2013, the Court issued its *Memorandum Opinion Granting in Part and Denying in Part UMB Bank's Motion to Dismiss* [Docket No. 74]. The Court denied the defendants' motion to dismiss with respect to the counts relating to the disallowance of OID and the exclusion of certain assets from the Junior Secured Noteholders' liens.

71. During this time, the Committee and the Debtors spent time drafting memorandum of law in opposition to the defendants' motion to dismiss the Debtors' complaint, [Docket No. 63]; an answer and affirmative defenses to the counterclaims of the defendants, [Docket No. 69]; a motion to dismiss certain of the defendants' counterclaims, [Docket No. 53]; and a reply in further support of the motion to dismiss certain of the defendants' counterclaims [Docket No. 76]. In preparing these pleadings, Kramer Levin spent time researching and analyzing complex legal issues raised in connection therewith. Following oral argument on August 28, 2013, the Court issued its *Memorandum Opinion Denying Without Prejudice UMB Bank's Motion to Dismiss Counts 3 and 5, and Granting in Part and Denying in Part the Committee's Motion to Dismiss Certain Junior Secured Noteholders Counterclaims* [Dkt. No. 5128] on September 20, 2013.

72. In addition to drafting and responding to motions to dismiss, Kramer Levin spent significant amounts of time during the Fourth Interim Period addressing discovery issues in the Consolidated Adversary Proceedings. First, in response to discovery and document requests served on the Committee by the Junior Secured Noteholders, Kramer Levin spent time reviewing internal documents and correspondence for relevance, responsiveness, and privilege issues in contemplation of potential production. Kramer Levin also reviewed correspondence and documents of the Committee professionals in response to the JSN document requests. Second, Kramer Levin also spent time reviewing produced documents for relevance in connection with prosecution of the Consolidated Adversary Proceeding, and prepared for and participated in numerous meetings and status conferences with the Junior Secured Noteholders and the Court to address discovery-related disputes.

H. Committee Meetings/ Communications

73. This matter relates to in-person and telephonic Committee meetings, as well as conference calls with individual Committee members and with the Committee's other legal and financial advisors. Kramer Levin, together with the Committee's other professionals, coordinates all of the Committee's activities, including attending to member issues and setting agendas for Committee meetings and conference calls. Given the extraordinary level of activity in these cases, during the Fourth Interim Period the Committee continued to hold a standing weekly Committee meeting or call and a weekly co-chair call to review the agenda and organize the upcoming Committee meeting or call.

74. Specifically, during the Fourth Interim Period, Kramer Levin, together with the Committee's professionals, held numerous conference calls and in-person meetings with the full Committee and its advisors, as well as multiple ad hoc calls with Committee members and its advisors to discuss developments related to the case. During Committee calls, Kramer Levin discussed key near-term and long-term issues with the full Committee and its advisors. Frequently, due to the number and complexity of items on the agenda for a given Committee meeting, the participation of multiple professionals was necessary to ensure that Kramer Levin could be responsive to Committee members' questions as they arise. To the extent a professional was only addressing a discrete number of items on the agenda, such professional would only participate in the meeting or conference call for the period of time during which those items were discussed.

75. Prior to such Committee meetings, Kramer Levin reviewed each pending matter requiring the Committee's attention and underlying documentation in connection therewith and coordinated advice with the Committee's other professionals. In addition, Kramer

Levin held weekly calls or in-person meetings with the Committee co-chairs to review items to be discussed at the upcoming Committee meeting and formulate an agenda for such Committee meetings. Kramer Levin then circulated an agenda to the Committee prior to each Committee meeting, along with written overviews, analyses, and presentations addressing many of the issues to be discussed at the meeting. Thereafter, Kramer Levin analyzed each of these matters with the Committee, as well as individual Committee members, and assisted the Committee in formulating a position with respect to each matter. Kramer Levin also maintained minutes of each Committee meeting.

76. In addition, Kramer Levin provided Committee members with daily case update emails on the status of case issues and any new pleadings or issues that arose between Committee meetings or Committee calls. Kramer Levin also regularly communicated with individual Committee members via email and telephone regarding case inquiries.

(Matter 24 Fees: \$7,755.00 / Hours Billed: 10.00)

77. Throughout the Fourth Interim Period, Kramer Levin reviewed, analyzed, summarized, and provided recommendations to the Committee with respect to numerous legal, financial, and business aspects of motions filed by the Debtors and other parties-in-interest in these Chapter 11 Cases. To adequately protect creditor rights and assert the Committee's positions, Kramer Levin, when directed to do so by the Committee, prepared formal and informal responses to motions and other requests for relief, as well as filing certain motions on behalf of the Committee. During the Fourth Interim Period, certain salient motions addressed by Kramer Levin and discussed in detail with the Committee included, among others:

78. FGIC 9019 Motion. As discussed above, the Plan Support Agreement and Plan contemplates a partial resolution of FGIC's Claims through a separate FGIC settlement agreement entered into as of May 23, 2013 (the "**FGIC Settlement Agreement**"), among the Debtors, The Bank of New York Mellon, The Bank of New York Mellon Trust Company, N.A., Law Debenture Trust Company of New York, U.S. Bank National Association, and Wells Fargo Bank, N.A., each in their respective capacities as Trustees, indenture trustees, or separate trustees (the "**FGIC Trustees**"), FGIC and certain Institutional Investors, holders of securities issued by the RMBS Trusts with securities insured by FGIC (the "**FGIC Insured Trusts**").

79. On June 7, 2013, the Debtors filed a motion pursuant to Bankruptcy Rule 9019 seeking the Bankruptcy Court's approval of the FGIC Settlement Agreement. [Docket No. 3929]. Kramer Levin spent time reviewing and commenting on the Debtors' motion. Kramer Levin also drafted and filed on behalf of the Committee a statement in support of the FGIC 9019 Motion on August 2, 2013 [Docket No. 4473]. Kramer Levin also worked with the parties objecting to the Debtors' motion with respect to discovery issues, and reviewed all pleadings, including motions in limine.

80. The Bankruptcy Court held a hearing to consider the motion on August 16 and 19, 2013, at which Kramer Levin participated. On September 20, 2013, the Court entered an order approving the FGIC Settlement [Docket No. 5125].

81. FRB Settlement Motion. Kramer Levin spent time during the Fourth Interim Period continuing to analyze the terms of the FRB Consent Order and the Debtors' other regulatory obligations, and working with the Committee's special regulatory counsel in negotiations with the FRB regarding a potential amendment to the FRB Consent Order to resolve the foreclosure review obligations imposed by such order. Ultimately, in connection with the

Global Settlement, the parties were able to achieve a resolution of the FRB Consent Order foreclosure review obligations, and the Debtors' entered into an amendment to the FRB Consent Order, pursuant to which the Debtors funded approximately \$230 million in payments to borrowers in satisfaction of certain obligations contained in the Consent Order (the "**FRB Amendment**").

82. On July 12, 2013, the Debtors filed a motion seeking approval to enter into and perform under the FRB Amendment [Docket No. 4228]. Kramer Levin drafted and filed on behalf of the Committee on July 24, 2013, the Committee's statement in support of the Debtors' motion [Docket No. 4329]. On July 26, 2013, the Court granted the Debtors' motion [Docket No. 4365].

83. JSN Disqualification Motion On July 18, 2013, the Ad Hoc Group of Junior Secured Noteholders filed a motion for entry of an order directing Morrison & Foerster, the Committee, Kramer Levin, and the Debtors' management, including Lewis Kruger as Chief Restructuring Officer, to remain neutral in any dispute regarding putative claims by and between any Debtors and disqualifying these parties to the extent necessary to effectuate the foregoing [Docket No. 4289] (the "**Disqualification Motion**").

84. As a result of the Disqualification Motion, Kramer Levin was required to expend time reviewing the Junior Secured Noteholders' motion, researching the legal issues raised therein, and drafting an extensive objection to the motion which was filed on July 26, 2013. [Docket No. 4372]. Kramer Levin also reviewed and coordinated responses to the Disqualification Motion with the Debtors and Ally, who likewise filed objections to the Disqualification Motion [Docket Nos. 4368 and 4369, respectively]. The Committee's objection was joined by certain consenting creditors [Docket No. 4371]. In its objection, the Committee

argued, among other things, that (i) the Disqualification Motion was untimely and transparently tactical; (ii) it sought to impose a destructive remedy for a non-existent problem; (iii) there was no conflict among the Debtors because, following an extensive mediation process under the guidance of the Mediator and with input from all major creditor constituencies and the leadership of the CRO, all of the Debtors support the Plan; and (iv) the Junior Secured Noteholders do not coherently allege any conflict on the part of the Committee, which did not settle the claims or purport to act on behalf of any Debtors, but merely advocated for a settlement overwhelmingly approved by every major unsecured creditor constituency. At the hearing on the Disqualification Motion held on July 30, 2013, the Court denied the Disqualification Motion.

J. Court Hearings

Kramer Levin Billing Code: 12

(Fees: \$259,795.50 / Hours Billed: 362.10)

85. In the Fourth Interim Period, the court held approximately twenty-one hearings regarding a wide variety of issues related to these Chapter 11 Cases, in addition to a number of status conferences (both in-court and telephonic) and chambers conferences to address specific issues raised by contested matters.² Kramer Levin spent a significant amount of time preparing for and participating in hearings and status conferences, including the following:

- Hearings related to progress in the development of a chapter 11 plan, including hearing on the PSA Motion and hearing on the Disclosure Statement;
- Trial on the FGIC Settlement Agreement;
- Numerous hearings and status conference on issues with respect to the Junior Secured Noteholders, including discovery issues, motions to dismiss, and the Disqualification Motion.

² Hearings and/or status conferences were held on the following dates during the Fourth Interim Period: (i) May 7, 2013; (ii) May 13, 2013; (iii) May 14, 2013; (iv) May 29, 2013; (v) June 12, 2013; (vi) June 17, 2013; (vii) June 26, 2013; (viii) July 3, 2013; (ix) July 10, 2013; (x) July 15, 2013; (xi) July 17, 2013; (xii) July 22, 2013; (xiii) July 25, 2013; (xiv) July 26, 2013; (xv) July 30, 2013; (xvi) August 14, 2013; (xvii) August 16, 2013; (xviii) August 19, 2013; (xix) August 21, 2013; (xx) August 22, 2013; and (xxi) August 28, 2013.

- Hearings regarding the Examiner's Report, including hearing on Berkshire Hathaway's motion to unseal the Examiner's Report;
- Hearing on the FRB Settlement Motion and updates on the foreclosure review process;
- In-person and telephonic status conferences regarding the Debtors' RMBS 9019 Motion, including issues regarding the scheduling of the trial on the RMBS 9019 Motion;
- Hearing on omnibus claims objection;
- Numerous hearings on motions to lift the automatic stay.

86. Kramer Levin also spent a significant amount of time negotiating with the Debtors and various other parties in an attempt to resolve the Committee's concerns relating to these matters prior to each hearing, or to reduce or eliminate disputes such that the parties could obtain relief in a consensual and efficient manner, where applicable, thereby preserving estate and judicial resources. Due to the number and complexity of the items on an agenda for a given hearing, Kramer Levin frequently needed multiple professionals to attend court hearings and status conferences. In an effort to minimize the cost to the estate, however, those professionals would only attend the hearing until the matter requiring their expertise was heard.³ Each of the professionals attending a court hearing for a particular matter were necessary to ensure that Kramer Levin could appropriately and promptly respond to questions from the Court or issues raised by other parties-in-interest.

K. Employee Benefits / Executive Compensation

Kramer Levin Billing Code: 13

(Fees: \$16,068.00 / Hours Billed: 21.00)

87. During the Fourth Interim Period, Kramer Levin and the Committee continued to review issues relating to employee benefits and executive compensation. In the Fourth Interim Period, the Committee's Executive Compensation Subcommittee (the

“Subcommittee”) continued to review and address issues related to the compensation of the Debtors’ management and the professionals working on these Chapter 11 Cases. Kramer Levin coordinated the activities of the Subcommittee, including numerous Subcommittee conference calls, meetings with the Debtors and Debtors’ professionals, formulating recommendations for the Committee, and making presentations to the Committee.

88. Specifically, during the Fourth Interim Period, Kramer Levin addressed, in consultation with the Committee and Subcommittee, the Debtors’ post-sale management structure and transition timeline for certain management and employees. Kramer Levin reviewed, commented on, and consulted with the Debtors with respect to the separation agreements for certain employees. Kramer Levin also analyzed the issues and communicated with the Debtors with respect to the Debtors’ motion filed on May 8, 2013 for an order to fix the statutory cap for severance payments to certain individuals [Docket No. 3658]; On May 22, 2013, the Court entered an order fixing the amount of severance payments to certain individuals [Docket No. 3804].

89. During the Fourth Interim Period, Kramer Levin in consultation with the Committee and Subcommittee, continued to review the fee structure for the Debtors’ professionals and worked with the Debtors on determining an appropriate success fee for the Debtors’ CRO, Lewis Kruger.

L. Tax Matters

Kramer Levin Billing Code: 14

(Fees: \$219,852.50 / Hours Billed: 367.90)

90. During the Fourth Interim Period, Kramer Levin devoted time and effort addressing tax matters, particularly with respect to the tax status of the Liquidating Trust contemplated by the Plan. Kramer Levin drafted and submitted to the Internal Revenue Service

a request for a private letter ruling as to the tax treatment of the Liquidating Trust. Kramer Levin also devoted time to analyzing other tax issues related to the Plan, including the tax status of the RMBS Trusts.

M. Claims Administration/Automatic Stay

Kramer Levin Billing Code: 16 and 20

(Matter 16 Fees: \$565,667.50/ Hours Billed: 781.80)

(Matter 20 Fees: \$96,221.50 / Hours Billed: 186.30)

91. During the Fourth Interim Period, Kramer Levin continued to spend a significant amount of time analyzing the claims of major creditor constituencies, and preparing internal memoranda regarding the treatment and classification of such claims. Kramer Levin also held numerous internal meetings and discussions with Committee professionals regarding the analysis of such claims and regularly updated the Committee on the status of the claims resolution process.

92. To date, there have been approximately 7,000 claims filed against the estates. Kramer Levin continued to work with the Committee's professionals and the Debtors' professionals to review filed claims and analyze the claims asserted. Kramer Levin's preliminary claims analysis involved an initial review of the filed proofs of claim, discussions with the Debtors regarding such claims, and the preparation of presentations for the Committee providing a broad overview of the billions of dollars in filed claims. During the Fourth Interim Period, Kramer Levin also worked with the Debtors to formulate a strategy for addressing disputed claims, pursuing resolutions of borrower class action claims and resolving or formulating a litigation strategy with respect to disputed outstanding claims. Specifically, Kramer Levin was actively involved in the negotiation and resolution of the allowance, priority and allocation of the claims of Ambac and Assured Guaranty, two monoline insurers whose claims had not been resolved pursuant to the Plan Support Agreement. Kramer Levin and

SilvermanAcampora, also worked directly with the Debtors to analyze claims and prepare the approximately 32 omnibus claims objections filed during the Fourth Interim Period in accordance with the claims objection and settlement procedures approved by the Court on March 21, 2013 [Docket No. 3294].

93. During the Fourth Interim Period, Kramer Levin also reviewed, analyzed, summarized and provided recommendations to the Committee with respect to the legal and financial aspects of motions and other documents filed by borrowers or other third parties to obtain relief from the automatic stay, or to obtain other or similar relief in adversary proceedings. Specifically, Kramer Levin, in conjunction with the Debtors' professionals and SilvermanAcampora, analyzed, summarized, and responded as necessary to approximately 127 such motions and other filings on the subject, many of which were resolved within this period. Additionally, Kramer Levin prepared for and participated in weekly conference calls with SilvermanAcampora and the Debtors' professionals to ascertain and understand the professionals' positions on such motions, as well as the status of communications and negotiations with the movants, and reviewed all related filings, including letter, objections, responses, stipulations and orders, and responded as appropriate to the same. For example, Kramer Levin, on behalf of the Committee, actively facilitated a resolution of the claims and causes of action asserted by Landon Rothstein, Jennifer Davidson, Robert Davidson, and Ihor Kobryn, individually and on behalf of a putative class (the "**Rothstein Plaintiffs**"), Kramer Levin spent time during the Fourth Interim Period in discussions with counsel for the Rothstein Plaintiffs, the Debtors and Ally with respect to extending the automatic stay to temporarily enjoin prosecution of the claims against the non-Debtors affiliates. On August 28, 2013, the

Committee, the Debtors, and Ally filed a joint motion seeking such relief [Docket No. 4871]. Subsequently, the claims of the Rothstein Plaintiffs were resolved.

N. Creditor Inquiries

Kramer Levin Billing Code: 17

(Fees: \$7,877.50 / Hours Billed: 19.20)

94. During the Fourth Interim Period, Kramer Levin spent time discharging its duties under section 1102 of the Bankruptcy Code, maintaining call and e-mail logs of creditor inquiries, and providing general information to and answering specific questions, calls, e-mails and letters from general unsecured creditors on a variety of issues related to the Debtors' bankruptcy cases. Kramer Levin also coordinated with special counsel for borrower-related issues to handle and respond to borrower inquiries and concerns. During the Fourth Interim Period, Kramer Levin also spent time maintaining and updating the Committee's website.

95. In connection with the filing of the Disclosure Statement and Plan, Kramer Levin established a hotline for creditors, in addition to the dedicated hotline for borrowers established by SilvermanAcampora. Kramer Levin communicated regularly with SilvermanAcampora about telephone calls, emails, and letters received from creditors, and appropriate responses.

O. Retention of Professionals

Kramer Levin Billing Code: 18

(Fees: \$67,634.00 / Hours Billed: 91.80)

96. During the Fourth Interim Period, Kramer Levin reviewed and discussed with the Subcommittee and Committee issues related to an amendment of the Debtors' retention of FTI, as financial advisor. After discussions with the Subcommittee, negotiations with the Debtors and FTI, and certain modifications to the FTI's proposal that the Committee believed were in the best interest of the estates, the Committee determined not to object to an amendment to FTI's engagement to provide additional litigation support services. On June 13, 2013, the

Court entered an order approving the addendum to FTI's engagement agreement [Docket No. 3971]. The Committee also negotiated certain amendments to the engagement letter with Centerview Partners, as Investment Banker to the Debtors.

97. In contemplation of the wind-down of the Debtors' estates, the Committee determined to engage Quest Turnaround Advisors as liquidating consultant to the Committee. Kramer Levin spent time drafting and negotiating the engagement letter with Quest Turnaround Advisors. The Committee engagement of Quest as liquidating consultant was approved by the Bankruptcy Court on October 22, 2013 [Docket No. 5426].

98. Kramer Levin also prepared and filed on August 15, 2013, a supplemental declaration in connection with its engagement as counsel to the Committee to disclose connections to additional parties in interest that have appeared since Kramer Levin's previous disclosures [Docket No. 4719].

P. Fee Statements/ Applications

Kramer Levin Billing Code: 19

(Fees: \$76,000.50 / Hours Billed: 165.60)

99. During the Fourth Interim Period, Kramer Levin devoted time to drafting and preparing the Third Interim Fee Application, including preparing and reviewing all accompanying exhibits and monthly fee statements in accordance with the Guidelines. In addition, Kramer Levin oversaw the preparation and filing of the fee applications of all other Committee professionals, reviewed the monthly statements and fee applications of other professionals involved in the Chapter 11 Cases, and prepared summary charts of each. Compliance with this process in chapter 11 cases of this size and complexity is an important and time-consuming effort. The amount of fees billed to this category represents less than 1% of the total fees requested for the Fourth Interim Period. The total fees billed to this matter also reflects

a voluntary reduction of approximately \$150,000.00 in fees primarily for time spent reviewing and revising monthly fee statements.

100. On August 28, 2013, the U.S. Trustee filed an omnibus objection to professionals' fee applications for the Third Interim Period. [Docket No. 4869]. Kramer Levin necessarily spent time reviewing the U.S. Trustee's objection, and Kramer Levin coordinated the Committee professionals' response to the U.S. Trustee and coordinated discussions among Kramer Levin, other Committee professionals and the U.S. Trustee. After conferring with the U.S. Trustee, Kramer Levin and the Committee professionals were able to successfully resolve the objections, and agreed to further reductions in fees and expenses, as set forth in the omnibus response of the Committee professionals [Docket No. 5003], which was drafted and filed on September 10, 2013 by Kramer Levin. The U.S. Trustee agreed that the response adequately addressed its objection, and the Court approved the fees and expenses of the Committee professionals, as revised per the agreement with the U.S. Trustee. Despite achieving a resolution with the U.S. Trustee on its objection, Kramer Levin voluntarily wrote-off fees in connection with the preparation of the response to the U.S. Trustee's objection to Kramer Levin's fee application as well as fees incurred working with the other Committee professionals in response to the U.S. Trustee's objections.

STATEMENT OF KRAMER LEVIN

101. The foregoing professional services performed by Kramer Levin were appropriate and necessary to the effective administration of these cases. They were in the best interests of creditors, the Debtors' estates and other parties-in-interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner.

102. The majority of the services performed by partners and associates of Kramer Levin were rendered by Kramer Levin's Corporate Restructuring and Bankruptcy Group. Kramer Levin has a prominent practice in this area and enjoys a national reputation for its expertise in financial reorganizations and restructurings. The attorneys at Kramer Levin have represented creditor's committees and debtors in many chapter 11 cases. In addition, due to the facts and circumstances of the Debtors' Chapter 11 Cases, attorneys from Kramer Levin's corporate, litigation and tax practice groups, as well as attorneys in other specialized areas as necessary, were involved with Kramer Levin's representation of the Committee. Overall, Kramer Levin brings a particularly high level of skill and knowledge, which inured to the benefit of the Committee and assisted the Committee in carrying out its duties as a fiduciary for all unsecured creditors in these Chapter 11 Cases.

103. The professional services performed by Kramer Levin on behalf of the Committee during the Fourth Interim Period required an aggregate expenditure of 16,133.80 recorded hours by Kramer Levin's partners, counsel, associates and paraprofessionals. Of the aggregate time expended, 5,278.80 recorded hours were expended by partners and counsel of Kramer Levin, 10,042.50 recorded hours were expended by associates, and 812.50 recorded hours were expended by paraprofessionals of Kramer Levin.

104. Kramer Levin's hourly billing rates for attorneys working on these Chapter 11 Cases ranged from \$425 to \$995. Allowance of compensation in the amount requested will result in a blended hourly billing rate for attorneys of approximately \$727.00, and a total blended hourly billing rate (including paraprofessionals) of \$705.00. Such fees are reasonable relative to the customary compensation received by Kramer Levin from non-

bankruptcy clients and by comparably skilled practitioners in comparable bankruptcy cases in a competitive national legal market.⁴

ACTUAL AND NECESSARY DISBURSEMENTS OF KRAMER LEVIN

105. As set forth in **Exhibit C** hereto, Kramer Levin has disbursed \$412,285.71 as expenses incurred in providing professional services during the Fourth Interim Period. Pursuant to Kramer Levin policy (which Kramer Levin submits is consistent with other New York City law firms), Kramer Levin pays certain expenses of professionals who work past 8:00 p.m. and on weekends and holidays in the service of its clients. These expenses include meal charges and car fares. While the UST Guidelines permit late-working professionals to use a car service, Kramer Levin has voluntarily limited its request for reimbursement to \$50 per trip to the extent that any such car fare exceeds this limit.⁵ Kramer Levin also reviewed its time detail to confirm that it is only seeking reimbursement for late-working professionals' meal charges for professionals who worked at least four hours on this case on the day for which meal reimbursement is sought. Consistent with the UST Guidelines, Kramer Levin has also voluntarily reduced its request for reimbursement for late-working professionals' meal charges to \$20 per meal to the extent that such meal charges were in excess of this limit.⁶ This same \$20 per meal limitation was applied to all meal charges incurred in connection with meetings (both client and internal meetings).⁷ With respect to photocopying expenses, Kramer Levin voluntarily

⁴ As noted above, attached hereto as **Exhibit B** is a schedule listing the hourly rate and the aggregate hours charged by Kramer Levin professionals who performed services for the Committee during the Fourth Interim Period.

⁵ In applying this policy, Kramer Levin did not request car fare expenses in the amount of \$22,431.45 incurred during the Fourth Interim Period.

⁶ In applying this policy, Kramer Levin did not request meal expenses in the amount of \$5,583.14 incurred during the Fourth Interim Period.

⁷ In applying this policy, Kramer Levin did not request meal expenses incurred in connection with meetings in the amount of \$15,588.23 incurred during the Fourth Interim Period. A detailed breakdown of the meeting charges per

limited such charges to the lesser of \$0.10 per page or cost.⁸ Finally, with respect to hotel charges, in accordance with the Court's statements at the April 11, 2013 hearing, hotel charges were only included when Kramer Levin professionals worked past 11:00 p.m., and the charged amounts were limited to the amount Kramer Levin would charge for a taxi or car fare home (i.e., a maximum of \$50.00).

106. These charges are intended to cover Kramer Levin's direct operating costs, which costs are not incorporated into Kramer Levin's hourly billing rates. Only clients who actually use services of the types set forth in **Exhibit C** are separately charged for such services.

107. Kramer Levin has made every effort to minimize its disbursements in these cases. The actual expenses incurred in providing professional services were absolutely necessary, reasonable, and justified under the circumstances to serve the needs of the Committee.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

108. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 1103 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

person is attached hereto as **Exhibit C-2**. Kramer Levin also notes that the substantial meal expenses incurred in May and June were a result of Kramer Levin hosting the global mediation sessions attended by over 100 individuals.

⁸ In applying this policy, Kramer Levin did not request photocopying charges in the amount of \$32,039.49 incurred during the Fourth Interim Period. A detailed breakdown of the photocopying charges including external vendor photocopying charges per page is attached hereto as **Exhibit C-3**.

In determining the amount of reasonable compensation to be awarded . . . the court should consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

109. Kramer Levin respectfully submits that the amount of compensation requested during the Fourth Interim Period is reasonable considering the nature, extent and value of the professional services performed during the Chapter 11 Cases. The fees sought in this Application reflect an aggregate of 16,133.80 hours expended by Kramer Levin attorneys and paraprofessionals performing necessary services. Work was carefully assigned to appropriate attorneys or paraprofessionals according to the experience and level of expertise required for each particular task and without unnecessary duplication. As discussed above, the rates charged by Kramer Levin for these services are reasonable relative to rates charged by Kramer Levin to non-bankruptcy clients and other professionals of comparable skill and competence in New York City. Kramer Levin has undertaken to minimize costs to the Debtors' estates while ensuring that the Committee receives the highest quality representation.

110. The services for which Kramer Levin seeks compensation in this Application were beneficial to, and in the best interests of, the Committee and the Debtors'

estates. During the Fourth Interim Period, Kramer Levin worked diligently to maximize the value of the Debtors' estates for the benefit of all unsecured creditors. The services rendered by Kramer Levin were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved.

111. Kramer Levin has a national reputation for its expertise and experience in financial and bankruptcy reorganizations and restructurings and as noted above, the compensation is reasonably based on customary compensation charged by other practitioners in non-bankruptcy cases. Based on an application of the above factors and its compliance with the Guidelines, Kramer Levin respectfully submits that approval of the compensation sought herein is warranted.

NOTICE

112. Pursuant to the Interim Compensation Order, notice of this Application has been given to the Notice Parties, and the Committee submits that no other or further notice need be provided.

NO PRIOR REQUEST

113. No prior request for the relief sought in this Application has been made to this or any other court.

WHEREFORE, Kramer Levin respectfully requests that the Court enter an order (i) awarding Kramer Levin the interim allowance of (a) fees for the Fourth Interim Period in the amount of \$11,386,709.50, and (b) reimbursement for actual and necessary expenses Kramer Levin incurred during the Fourth Interim Period in the amount of \$412,285.71; and (ii) granting such other relief as is just and proper.
